Q: What do I do in the winter?

A: Keep snow clear from the cart and cart paths. Do not place behind or on top of snow banks and ensure that the lid is snow and ice free.

Q: What if I have more waste than my cart holds?

A: Your 65 gallon cart is comparable to other successful automated municipalities and should easily hold one week of household waste. Excess waste must be taken to the Regional Landfill.

Q: Why didn't my cart get emptied?

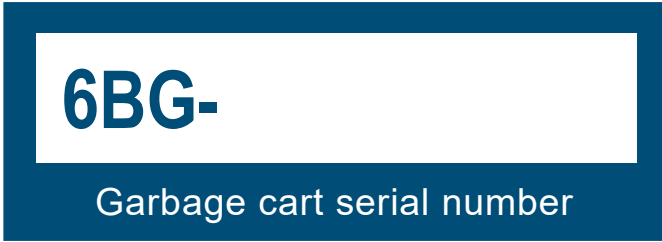

A: You will find a yellow notice on your cart or near your front door explaining why it was not safe to empty it. Call the number on the notice for details.
